What You Need To Know About Prevagen ([Video Link](#))

Unique Ingredient in Prevagen

Prevagen is formulated with apoaequorin, which was originally discovered in [jellyfish](#).

Apoaequorin is patented by Quincy Bioscience for use in a variety of products to support cognitive function.* In a computer-assessed, double-blinded, placebo-controlled clinical study, Prevagen improved certain aspects of cognitive function over a 90 day period.*

Available Nationwide

Prevagen first became available to consumers in 2007 and was an immediate success. Since then over one million people have tried Prevagen. Prevagen is available in over 50,000 stores across the country and is the number one pharmacist recommended memory support brand according to a 2018-2019 [Pharmacy Times](#) national survey of pharmacists.
